Cooking Dash 2016 Hack Tool v3.19 - Favorite-Hack.com

The image shows a screenshot of a web-based application titled "Cooking Dash 2016 Hack Tool v3.19 - Favorite-Hack.com". The interface features a colorful header with the game's logo and characters. Below the header, there are two main sections: "Select Device" and "Features".

Select Device: This section allows users to choose between Android and iOS. The Android icon is currently selected. A "Connect" button is located below the device selection options.

Features: This section lists two features that are checked and ready for use:

- Gold: 999999
- Coins: 999999

Below the features section, there is a "Security" section with two toggle switches:

- Anti-Ban: OFF **ON**
- Use Proxy: OFF **ON**

A large "Start Hack!" button is positioned to the right of the security settings. To its right is a circular progress indicator showing the number "58".

At the bottom left, there is a "Hacking..." status indicator. At the bottom right, there is a copyright notice: "@Copyright 2015 Favorite-Hack.com".
