Click on the link on the left side of this message to join for free right now, no spyware or pop-up ads!Q: An apparently undefined error in a Swift Playgrounds project I recently started a SpriteKit-based project in Swift Playgrounds. When I try to run the project, I get two errors after I enter these commands: yoga\$ swift run No code signing identity found for "iOS SDK Code Signing yoga\$ xcodebuild -version Xcode 9.1 build version 9B55 With a lot of luck, these errors can be fixed. However, I see nothing wrong with the code. Here is the whole Project. import SpriteKit class GameScene: SKScene { var tapped = SKSpriteNode() var node4 = SKSpriteNode() override func didMove(to view: SKView) { f678ea9f9e
